Data Entry Automation Software

TECHNICAL TRAINING

3. **Organization:** Chhattisgarh State Power Distribution Company Limited (CSPDCL), Bilaspur
Project Work: Billing & Networking
Duration: 19th July - 2014 to 18th August - 2014 (30 Days)
4. **Organization:** Office of Collector & District Magistrate, (Department of IT), Bilaspur
Project Work: Chhattisgarh State Wide Area Network (CGSWAN)
Duration: 05th June - 2015 to 04th July - 2015 (30 Days)

PROJECT PROFILE

1. **Major Project:** Sending Text SMS Using Communication Protocol
Description: An SMS gateway allows a computer to send or receive Short Message Service (SMS) transmissions to or from a telecommunications network. Most messages are eventually routed into the mobile phone networks. Many SMS gateways support media conversion from email and other formats.
2. **Minor Project:** Business Model For Cloud Computing
Description: This study proposes a Business Model for Cloud Computing Based on a Separate Encryption and Decryption Service, emphasizing that authorization for the storage and encryption/decryption of user data must be vested with two different service providers.
3. **Project:** Crime Records Management System
Description: To provide information to police departments regarding the availability of information and to Share information among police departments to make the city without crime.
